ASX RELEASE

01 July 2022

Change of Registered Office and Principal Place of Business

State Gas Limited (ASX: GAS) wishes to advise that the Registered Office and Principal Place of Business of the Company has changed to Suite 4, Level 1, 40 Edward Street, Brisbane QLD 4000, effective 1 July 2022.

This announcement has been authorised for release by the Executive Chairman.

ABOUT STATE GAS

STATE GAS LIMITED (ASX: GAS) is a Queensland-based gas exploration and development company focussing on the Bowen Basin in Central Queensland. State Gas is 100%-owner of the contiguous Reid's Dome (PL-231) and Rolleston-West (ATP 2062) Gas Projects, both of which contain both CSG and conventional gas. The Projects, together some 1,595km², are located south of Rolleston, approximately 50 and 30 kilometres respectively from the Queensland Gas Pipeline and interconnected east coast gas network.

State Gas (35%) has, together with Santos QNT Pty Ltd (65%), been appointed Preferred Tenderer for new exploration permits ATP 2068 and ATP 2069. These blocks lie adjacent to or in the near vicinity of State Gas and Santos' existing interests in the area, providing for an alignment of ownership interests across the region, enabling synergies in operations and development.

None of State Gas' permits are restricted by domestic gas reservation requirements. State Gas is implementing its strategic plan to bring gas to market from Reid's Dome and Rolleston-West to meet shortfalls in the east coast domestic gas market.

State Gas has embarked upon a carbon management initiative with minerals explorer Rockminsolutions Pty Ltd in respect of EPM 27596 on the western border of ATP 2062. This project is investigating the potential of basalts in the Buckland Basaltic Sequence to provide long term secure sequestration of carbon through mineralisation.
