Recommendations

Compliance with recommendations

Principle 1 – Lay solid foundations for management and oversight

1.1 Role of Board and management

The Board has established a clear distinction between the functions and responsibilities reserved for the Board and those delegated to management, which are set out in the Company's Corporate Governance Charter (Charter). The Charter also provides an overview of the roles of the Chairman, Directors and Executives.

✓

A copy of the Charter is available in the Governance section of the Company's website.

1.2 Information regarding election or re-election of Director candidates

The Company carefully considers the character, experience, education, skill set as well as interests and associations of potential candidates for appointment to the Board and conducts appropriate checks with assistance from board members to verify the suitability of the candidate prior to their election.

✓

Comprehensive biographical information is provided to shareholders in the notice of meetings to enable them to make an informed decision on whether to elect or re-elect a Director.

The Company has appropriate procedures in place to ensure material information relevant to a decision to elect or re-elect a Director is disclosed in the Notice of Meeting provided to shareholders.

Principle 1 – Lay solid foundations for management and oversight (continued)

1.3 Written contracts of appointment

In addition to being set out in the Charter, all directors and senior executives have a written agreement which formalises the terms of their appointment. Each Director commits to a letter of appointment which specifies the term of their appointment, the envisaged time commitment, expectations and duties relating to the position, remuneration, disclosure and confidentiality obligations, insurance and indemnity entitlements, details of the Company's corporate governance policies, and reporting lines.

✓

The Company has an Employment Agreement with the Managing Director, the key aspects of which are disclosed in the Remuneration Report contained within the Annual Report.

Each Senior Executive enters into an employment contract which sets out the material terms of employment, including a description of position and duties, reporting lines, remuneration arrangements and termination rights and entitlements. Contract details of senior executives who are Key Management Personnel can be found in the 2025 Annual Report.

1.4 Company Secretary

The Company has a board-appointed company secretary. You can view their biographical details and qualifications in the 2025 Annual Report.

✓

The company secretary has overall responsibility for the company secretariat function and is directly accountable to the board, through the chairman, on all matters to do with the proper functioning of the board. This includes advising the board and its committees on governance matters, coordinating board business and providing a point of reference for dealings between the board and management.

All directors have access to the advice and services of the company secretary.

1.5 Diversity and inclusion

The Company's Diversity Policy is disclosed on the Company's website and sets out its objectives and reporting practices regarding diversity.

✓

2.1	Nominations committee	Due to the current size and nature of the existing Board and the size of the Company's operations, the Board performs the role of the Nomination Committee and does not consider that the Company will gain any benefit from individual Nomination committee and that its resources would be better utilised in other areas. However, the Company has adopted a Nomination Committee Charter that provides for the creation of a Nomination Committee (if it is considered it will benefit the Company), with all Directors being members and the Chair being the Chair of the Board.	✗
2.2	Board skills matrix	The skills, knowledge and experience set out in the table below have been identified as those that are required for the effective management of the Company. The Board possesses broad coverage of these skills and attributes. Further details regarding the skills and experience of each Director are included in the 2025 Annual Report.	✓

¹ "Corporate governance statement" is defined in Listing Rule 19.12 to mean the statement referred to in Listing Rule 4.10.3 which discloses the extent to which an entity has followed the recommendations set by the ASX Corporate Governance Council during a particular reporting period.

Listing Rule 4.10.3 requires an entity that is included in the official list as an ASX Listing to include in its annual report either a corporate governance statement that meets the requirements of that rule or the URL of the page on its website where such a statement is located. The corporate governance statement must disclose the extent to which the entity has followed the recommendations set by the ASX Corporate Governance Council during the reporting period. If the entity has not followed a recommendation for any part of the reporting period, its corporate governance statement must separately identify that recommendation and the period during which it was not followed and state its reasons for not following the recommendation and what (if any) alternative governance practices it adopted in lieu of the recommendation during that period.

Under Listing Rule 4.7.4, if an entity chooses to include its corporate governance statement on its website rather than in its annual report, it must lodge a copy of the corporate governance statement with ASX at the same time as it lodges its annual report with ASX. The corporate governance statement must be current as at the effective date specified in that statement for the purposes of Listing Rule 4.10.3.

Under Listing Rule 4.7.3, an entity must also lodge with ASX a completed Appendix 4G at the same time as it lodges its annual report with ASX. The Appendix 4G serves a dual purpose. It acts as a key designed to assist readers to locate the governance disclosures made by a listed entity under Listing Rule 4.10.3 and under the ASX Corporate Governance Council's recommendations. It also acts as a verification tool for listed entities to confirm that they have met the disclosure requirements of Listing Rule 4.10.3.

The Appendix 4G is not a substitute for, and is not to be confused with, the entity's corporate governance statement. They serve different purposes and an entity must produce each of them separately.
